

# W6/W12 Sprint Regionals Area Plan

In order to keep our competitors, coaches, club representatives and supporters safe please make sure that you have a read of the following information. Henley Lake is a public area and in order for us to run and manage this event under the current traffic light system, we ask that anyone participating, volunteering or supporting this event sticks within our laid-out boundaries so that bubbles are not mixed and so that the public still has access to the lake. All paddlers, coaches, managers, supporters, volunteers and officials over the age of 12 will be given a wrist band to wear for the duration of this event.

## **1: Sign In/Registration Area**

We will have the registration set up just in front of the big sheds where Wairarapa Waka Ama Club operates out of.

**In case paddlers and support staff have pre-registered, supplied waiver forms, and have already provided proof of vaccination:** Please have a club representative come to registration to collect wristbands for all paddlers, coaches, and managers

**In case paddlers and support have not yet registered:** Please come to the registration desk, to sign the waiver forms, and to provide proof of vaccination.

Any whanau supporters that wish to be part of our paddler/club area will also need to provide proof/scan in with their vaccination passes, and collect a wrist band.

## **2: Paddler/Club Area**

This area will be cordoned off for our paddlers and club members, we ask that you, where possible, remain within this area during the day. Everyone within the event area must wear a wristband. We will have the Wairarapa Maori Wardens doing random checks throughout the day as well.

## **3: Finish Line**

We will have a caravan and volunteers set up at the finish line. We ask that any whanau supporters that end up staying to watch stay clear of this area and move right over to the other side of the lake.

**We are strongly discouraging spectators at this event but realize that we are also holding it in a public space. If you have got spectators coming, we ask that they are watching from the far side of the lake.**

**Area Map:**

**1: Admin/Sign-In Area**

**2: Club/Paddler Areas**

**3: Finish Line**
